Crating / Parking Information

Car Parking:

If you are parking in the area indicated on this diagram – basically anywhere near the Arena, you may not also have a crate inside. This area is reserved for ONLY those people that want to crate out of their cars. Also make sure to not run your car's engine excessively as that puts exhaust fumes in the car next to yours and gasses out those dogs !!!

Crating Inside: If you are crating in the arena, please use the following crating layout instead of just putting crates up against the walls. Here is a simple picture.

Crating in rows as shown. This lets us get more people into the area than if we just go up against the wall. Please put your chairs along the rings.
