# The running schedule is slightly different than the preliminary schedule from the Premium. Make sure to look at the charts below for the final schedule of classes!

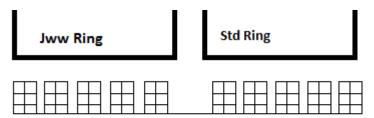

### **Crating / Center Aisle / Parking Information**

#### Car Parking:

If you are parking in the area indicated on this diagram – basically anywhere near the Arena, you may not also have a crate inside. This area is reserved for ONLY those people that want to crate out of their cars. Also make sure to not run your car's engine excessively as that puts exhaust fumes in the car next to yours and gasses out those dogs !!!

**Crating Inside:** If you are crating in the arena, please use the this crating layout instead of just putting crates up against the walls. Here is a simple picture of that style.

Crating in rows as shown. This lets us get more people into the area than if we just go up against the wall. Please put your chairs along the rings.

**Center Aisle:** Make sure to keep the center aisle clear for the dogs that are running. Please don't loiter there unless you are getting ready to run ©

#### **IMPORTANT:** This is the first show in our area with the new AKC Premier Classes. As a result, the preliminary schedule listed in the premium had to be modified to allow for a more efficient, and less conflicted operation.
