Approved FSS breeds are also eligible to participate. Dogs with a PAL/ILP or a Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs should be physically sound. Dogs that are blind shall not be eligible, and neither are bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. No dog shall compete if it is

taped or bandaged in any way or has anything attached to it for medical purposes. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of register-able breeds that may participate.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

REFUNDS: A complete refund will be given, for any reason, if withdrawal notice is received **before** the closing date and time. **After closing**, a refund of entry fees, less \$10/day, will be given for any bitch that comes into season, provided that written notification from a veterinarian is provided to the Trial Secretary before its first scheduled run of the weekend. A refund of **one-half** the entry fees will be given for dogs that are injured, provided a veterinary certificate is provided **AND** notification is received by the Trial Secretary at least 30 minutes before the dog is scheduled to run in its first run of the weekend. Full refunds will be given in case of a judge change for only the run(s) that are affected by the change. No other refunds will be given after closing. No refunds will be given for amounts less than \$10.

ENTRY CONFIRMATIONS

Confirmation of entry will be sent after it is received and processed. CHECK this for any errors and notify the trial secretary if there are any errors BEFORE the closing date. PLEASE be aware that NO modifications to an entry may be made after the trial closes according to AKC regulations, other than move-ups that must be received in writing by 6 p.m. of the Monday before the trial. This includes changes like Regular vs Preferred, Jump heights, or move down in classes.

OBSTACLES AND RING SIZE

All obstacles shall meet the specifications as outlined in the current edition of Regulations for Agility Trials. These agility trials will be held indoors in a heated arena on groomed dirt surface with the **STD/PREM ring larger than the JWW/T2B/FAST ring**. Crating is on cement in the same building and there is plenty of room. **There will be no Novice equipment familiarization at these trials.**

CLASSES AND DIVISIONS

It is the exhibitor's responsibility to enter the dog in the correct class. The Trial Secretary cannot make any changes (except for move-ups as noted) after the closing date of the trial. Be sure to check your entry form and confirmation letter carefully and make certain you have entered the correct classes. NOTE: Do NOT enter a class "higher" than you are eligible for on the assumption you will complete a title before this trial. "Move-downs" after the closing date for entries are not allowed. *If this is your first entry in Preferred class you must start in the Novice class, or if you have not yet used your one-time lateral transfer the dog may enter in the same level as it runs in the regular classes but must jump 4" lower.* A complete set of rules for all classes is available from the American Kennel Club, 8051 Arco Corporate Drive, Suite 100, Raleigh, NC 27617-3390, or from the AKC website at www.akc.org.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Height Divisions

All dogs without height cards must be measured by the judge before running. Measuring will begin ½ hour before the first dog runs (Sat & Sun) and may occur between classes depending upon judge availability.

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	11 inches and under at withers
12"	8"	14 inches and under at withers
16"	12"	18 inches and under at withers
20"	16"	22 inches and under at withers
24"	20"	Over 22 inches at withers
24C"	N/A	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

HEIGHT CARD REGULATIONS

When filling out the entry form, there is a section at the top of the form for exhibitors to mark if your dog needs to be measured. This lets the Trial Secretary know whether to include your dog on the "Dogs to Be Measured List".

It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. However, you should have the card with you if asked for it.
