Measurements: If you have not been measured or indicated that you have a height card, you must do so before you run. The gate sheets will be highlighted to indicate if you need to have your dog measured or show its card. **A VMO is scheduled to be at the show, so measurements will be official.**

Crating / Center Aisle / Parking Information

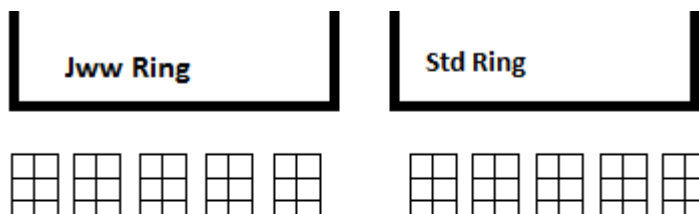

Car Parking:

If you are parking in the area indicated on this diagram – basically anywhere near the Arena, you may not also have a crate inside. This area is reserved for ONLY those people that want to crate out of their cars. Also make sure to not run your car's engine excessively as that puts exhaust fumes in the car next to yours and gasses out those dogs !!!

Crating Inside:

If you are crating in the arena, please use the this crating layout instead of just putting crates up against the walls. Here is a simple picture of that style.

Crating in rows as shown. This lets us get more people into the area than if we just go up against the wall. Please put your chairs along the rings.

Center Aisle:

Make sure to keep the center aisle clear for the dogs that are running. Please don't loiter there unless you are getting ready to run ☺
