## International Sweepstakes Classes

This is a major ISC qualifying event for the May 2019 World Team Tryouts. Clear run scores from the following from the official WTT heights may be used to fulfill the minimum requirements to enter the World Team. In addition, ISC Combined Class winners at these events will receive an invitation to the World Team Tryouts.

A clear run consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class. Two ISC Jumpers and two ISC Standard scores may be used to fulfill the minimum requirements.

Check the AKC agility website information regarding World Team Tryouts for official information.

## CRATING INFORMATION

The trial committees will be working very hard to make the most space available to the agility competitors. However, due to the available crating space, they will be enforcing the following agility area crating area rules. Please work with your fellow competitors to compact space as much as possible. If we all work together, we'll have enough space for everybody's dogs.

- No Mats will be allowed in the agility crating areas.
- No un-stackable soft crates
- No X-Pens or play huts.
- **No chairs allowed in the crating area.**
- No un-entered dogs allowed in the agility area.

**INSTRUCTIONS**

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? \_\_\_\_\_
