Moveups: The deadline for moveups is March 1 at 6PM. Moveups must be received in writing or email by that deadline. Day-to-Day moveups are being accepted for Saturday and Sunday.

Setup and crating: There is **NO general crating allowed in the building. Popup tents and crating is allowed along the South grass areas on the knoll (not on the field). If using a popup or crate on the grass, please do NOT use mats or leave items overnight.**

RVs: All RV camping must be arranged with Argus Ranch. See argusranch.com for more info.

Food: Due to the required COVID restrictions by the state, we will NOT be providing any food, snacks or refreshments at the show. Please bring your own provisions 😊

Workers: Even given all the new “rules” and capacity limits, we STILL need your help putting on the show. If you can help out for a class – or a day – let us know. We’ll have a chief worker person coordinating thing and likely have the white boards setup like usual. THANKS!

Measuring: A volunteer measuring official will be on site but measuring during these COVID times is different. If your dog can be left at the table with you at least 6’ away (safely!) and measured by a man in a mask, then we can potentially do the measure. Check with the score table for more info.

COVID Specific Information

Masks must be worn at all times in the building

COVID Check-in: All persons at the event MUST check in each day with the Covid desk. You will be asked a set of COVID related questions (are you sick, have you been exposed, etc). You may also have your temp checked with a non-contact thermometer. After check-in you may be given a sticker. You will not be allowed in the building without a sticker.

Access Inside: You may have someone come in and video your runs or otherwise help you during your run. The state is prohibiting vendors, guests, and spectators at these events.

Building Flow: We are attempting to limit contact inside the building between participants. To do that, we are going to set up a “flow” of people entering and exiting the building for their runs. Something like this diagram. Note that the entrance/exit to each ring may swap depending on the course layout.

Course Maps: We will not be providing general paper copies of course maps. Maps will be made available on our website sometime after 6PM the previous night. If you need a paper copy, please print one at home.

Leashes: We are planning on a leash runner using a “grabber”, but AKC rules now allow you to put your leash in your pocket, or tie it around your waist while you run. This allows only YOU to handle your leash. NOTE: if your dog grabs/tugs on the leash while running, the judge will signal an ‘E’. ☹️

Results: Results will be posted outside the building and will be available on the same web page as the running order. We will also post results to the website as they are generated throughout the day so you can get them remotely.

COVID Waiver: **Due to the nature of our current COVID environment, a waiver will be required to be signed by all persons at the facility. Those with minors, please sign a waiver for your child.**

While we are doing all that we can to provide the best environment possible to hold agility events at Argus Ranch, we understand that COVID is an infectious disease and outside our control. The following waiver is designed to hold Argus Ranch, the club, and trial staff harmless for events related to the COVID pandemic.

Please read the attached waiver, sign, and bring with you to the show. You can give the waiver to the person handling the COVID check-in procedure.

Argus Ranch may have additional restrictions or rules. Please see www.argusranch.com for additional info.

Gate Check-in: We will have a normal gate steward with a paper gate sheet, but will also be using a new electronic gate checking and monitoring system available by any internet or wifi enabled device with a web browser.

The new system allows you to check-in, mark conflict or absent, see progress, and live scores as they are entered into the computer. Please check the status to make sure your runs are correct.

Maps will also be available on the same page (internet or local) sometime after 6PM.

<p>Via Internet – Open a browser and go to</p> <p>www.r2agility.net</p>	<p>Via WiFi: Turn on WiFi. Select one of the following:</p> <p>R2Net (local router) – no password needed R2Gate (extended WiFi mesh) – pswd: r2agility1</p> <p>Open a browser and go to 192.168.0.7</p> <p>The local WiFi does NOT have an internet connection</p>
	

Most devices have a QR scanner (like QR Droid for Android devices) that will automatically scan the code and open up the browser to that address. Saves typing ☺
