CORONAVIRUS INFO

We are trying to make the best show possible given the current COVID situation. As of 8/10, the state of WA is allowing shows like ours with mandatory restrictions.

All participants will be required to adhere to these main items (more details pg 2)

Cloth Masks mandatory indoors at all times – even when running.

Masks required outdoors when not socially distant.

No Crating allowed indoors

No spectators, visitors, family, friends allowed – only participants and crew

Only allowed indoors while running or walking course

Dedicated "flow" of people thru building. Dedicated entrance/exit doors.

A COVID waiver will be required when you arrive (for club, crew, facility)

A set of COVID questions and possibly a temp check will be done each morning

If you feel that you can not adhere to these restrictions, are sick, have been exposed to COVID-19, or have other reasons not to be around crowds – please stay home!

American Manchester Terrier Club Agility Trial 2021 - Covid Information

We are working to be compliance with AKC, CDC, State and County Health guidelines. All guidelines may change as we get closer to the event time.

Masks – Cloth or Paper masks are required in all indoor areas in WA state. That includes while running your dog. This is a state mandate and one we are required to follow. The exits from the building are close to the rings and we will try and provide an outside the doors for you to remove your masks.

Food - The club will not be offering any food. We will be offering water from bottles, but you will be given them from someone with PPE. There will be no evening pot lucks and unfortunately, no MACH/PACH cakes. Please plan accordingly.

Crating - There will be no crating in the building. We are required to minimize the number of people in the building, and insure those that are in the building are distanced. Crating out of your vehicle will be encouraged. You are also welcome to bring shade tents and there will be a designated location (to be determined). Parking spots close to the entrance and exit doors will be reserved for those crating from vehicles. The “in” doors and “out” doors will be clearly marked and left open. Please honor those door signs.

Washing, disinfectants, PPE – Hand washing is critical. We are working to expand those facilities. Hand sanitizer and other limited PPE will be available from the club, but please plan on bring your own.

Bathrooms - Disinfecting spray will be in the porta-potties and restrooms for seats and door handles. It will be your responsibility to sanitize upon entering and leaving these locations. Brutus hall’s restrooms will only be allowed for those staying in the hall.

Trial Specific Modifications:

Gate Check-in/Steward - One person will be doing check-in and will receive worker coupons. Class run order copies will be made for handlers by class so people don’t have to keep looking at the board. Daily run orders will also be posted in many locations. This will force us to limit moving of dogs after running order is printed and posted. This may mean that it may be necessary that we wait for people with multiple dogs. We will be using an electronic gate checkin/results system. Your running order will have details.

Briefings by Judge and Trial Chair – We will have limited briefings. We must have very few people in the building at any given time. We will do our best to communicate (postings, website, texting, etc) so please bear with us.

Handlers waiting for their turn - Six foot markings (don’t know how we are going to do that yet) will be created and Handlers/dogs will be expected to play musical markings until their turn in the ring. Then, they will proceed to the entry gate as instructed by the Gate Steward. **Handlers must wear masks whenever in the ring – including while running.**

Walk-Throughs - Walk-throughs will be managed by number of handlers in a height class and announced at the briefings. Open and Novice will not have by heights. Fast, T2B and Master will be split and may be individual heights depending on the number of handlers per heights. This will enable walk-throughs to be smaller. We must keep each ring to less than about 20 people at a time, so there may be many walkthroughs.

NOTE: In order to minimize changes, We MAY use the same schedule/Walk-throughs for the whole weekend.

Workers - Masks and gloves should be worn for all positions while in the ring.

The Chief Ring Steward and/or Trial Chair will have the white boards set up outside near the entrance doors. You will be given a post-it to write your name on and post on these white boards. Please try and remember to remove your name if you are unable to perform the duties and after working to preserve making more post-its. You are welcome to make numerous post-its to help where ever.

The scoring table, leash runner, and bar setters should disinfect the chairs upon completion of their class. You are welcome to disinfect before as well. There will be disinfectant at the scorer’s table. The timer will be located at a different location than the scorer.

Results/Stickers/Ribbons - Results will be posted on wall boards by class instead of in the binders. Stickers will be printed and pre-cut so you will only pick up your own. There will be envelopes with your last name located just inside the building. Please do not take the envelope until the last day of your runs. Ribbons will be laid out on the table. There is one designated person to distribute the stickers and ribbons, please be patient.

Waivers and COVID check in:

Waiver – The AMTC, Argus Ranch and R2Agility, their owners, operators, members, and volunteers are working very hard to make this event the most compliant event possible. However, activities like dog shows are potentially dangerous given the current COVID pandemic. A specific waiver will need to be signed holding the above entities harmless in the event somebody gets sick at the event. This is in addition to the waiver on the AKC entry form.

COVID Check in – To help meet the WA state guidelines for this event, each participant will need to answer a brief set of questions and potentially have a non-contact temperature check. Are you feeling sick now? Have you been exposed to COVID recently? Have you received a positive COVID test in the last 14 days? All non-staff exhibitors will receive a COVID wristband that must be worn at all times and must be visible at all times. **NO WRISTBAND, NO RUNNING.**

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

IMPORTANT INFORMATION FOR EXHIBITORS

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. Exhibitors are responsible for being at the ring gate when it is their turn to run. We will NOT wait for exhibitors, except for pre-arranged changes due to conflict. **Entry Confirmations and approximate check-in times will be sent to the address or email address on the Official AKC entry form after closing date. If an exhibitor has not received a copy of the Schedule within seven days of the show,** contact the Trial Secretary. Acknowledgment of receipt of entries prior to closing will be provided if the exhibitor provides a stamped, self-addressed postcard with entry.

Conditional, unsigned, incomplete, illegible, telephone or telegraph entries cannot be accepted. Entries not on official AKC form, or photocopies of AKC forms, **without the agreement attached are not acceptable.**

Entry fees will not be refunded in the event of errors or cancellation of entries after the published closing date, or in the event a dog is absent, disqualified, sick, lame, excused by the Veterinarian or Judge, or barred from competition by the Show Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.

Confirmation of entry and schedule of judging time will be sent to the address on the official AKC entry form after the closing date. If an exhibitor has not received a copy of the schedule at least seven days prior to the show, contact the Trial Secretary. Returned checks do not constitute a valid entry.

The American Manchester Terrier Club assumes No responsibility for any loss, damage or injury sustained by exhibitors, handlers, or spectators, or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and /or children. Any exhibitor whose dogs and /or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee be asked to leave the Trial site. In such case, no refund or any fees paid will be made.

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.

The safety of dogs is of primary concern. By entering the Trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport, and that their dogs are familiar with and able to perform all obstacles safely.

Please clean up after your dogs on the show grounds and at your motel site. We want to retain these facilities for future events.

ONLY DOGS THAT ARE ELIGIBLE to be shown under The AKC rules shall be allowed within the show precincts.

OWNERS ARE RESPONSIBLE for errors in entry forms, regardless of who may make such errors.

RING and CRATING INFORMATION: There will be NO crating inside the building due to the COVID restrictions. Please plan on crating out of your car or bring a canopy to setup outside.

Food Information: There will not be a general lunch available for non-workers, so please plan accordingly. Due to COVID, the club will not be providing refreshments. There may be bottled water for workers.

Vendors: According to the WA state guidelines for Agricultural Events (latest of 8/2020), on-site vendor sales setups are not allowed. We may have an official show photographer on staff, but there will be no sales allowed on the grounds.
