COVID Specific Information

- Masks:** The state of Washington is now “Open” but masks are required indoors regardless of vaccination status. Here are the listed exclusions from the state website: [WA State DOH - Mask Requirements Link](#)
- Children under five years of age. However, children age two to four years old can wear a mask under close adult supervision. Children under two years of age should not wear a mask due to the risk of suffocation.
 - People with a medical or mental health condition or disability that prevents them from wearing a mask
 - Fully vaccinated workers who are working alone or in an area not accessible to the public
 - Athletes who play indoor sports and who are actively engaged in competition or practice (masks are still required on sidelines and in team meetings)
 - Small indoor private gatherings
- Access Inside:** We have full access inside the building !! Still no chairs or crates allowed indoors, but at least you can come in and watch people’s runs !
- Course Maps:** We will not be providing general paper copies of course maps. Maps will be made available on our website - [r2agility.net](#) (and will be available on the local WiFi system as well) sometime after 6PM the previous night. If you need a paper copy, please print one at home.
- Gate Check-in:** We will have a normal gate steward with a paper gate sheet, but will also be using an electronic gate checking and monitoring system available by any internet or wifi enabled device with a web browser.
- The new system allows you to check-in, mark conflict or absent, see progress, and live scores as they are entered into the computer. Please check the status to make sure your runs are correct.
- Maps will also be available on the same page (internet or local) sometime after 6PM.
- Results:** Results will be posted and will be available on the same web page as the running order.
- COVID Waiver:** No required anymore!

Facility Use and People "flow" thru the building.

Opn/Nov ring will enter one of the south doors and exit the other.

Std/Prm ring will enter/exit from the east and north doors depending on the ring layout. The entrance/exit for that ring is on the long side thru the small ring gates. The Jww/Fast ring will enter/exit thru the south/west doors depending on the ring layout. We are NOT using the west door near the equipment trailer.

Popups and crates can be along the west fence and north grass, but NO Mats or anything left overnight. We don't want to kill the grass.

The Kitchen door may be open for access to the sink for hand washing.
