- Cloth Masks mandatory indoors at all times – even when running.
- Masks required outdoors when not socially distant.
- *No Crating allowed indoors & No spectators, visitors, family, friends allowed.*
- Only participants and crew allowed indoors, and someone to record your run, are allowed in the arena while running or walking course.
- Dedicated "flow" of people thru building. Dedicated entrance/exit doors.
- A COVID waiver will be required when you arrive (covers club, crew, facility)
- A set of COVID questions and possibly a temp check will be done each morning.

# Chuckanut Dog Training Association Agility Trial, May 2021

## COVID PROCEDURES AND PRECAUTIONS:

We are working to be compliant with AKC, CDC, State and County Health guidelines. All guidelines may change as we get closer to the event time. **These procedures and precautions will override related information in the rest of the premium.**

**Masks** – Cloth masks are required in all indoor areas in WA state. That includes while running your dog. This is a state mandate and one we are required to follow. The exits from the building are close to the rings and we will try and provide an area outside the doors for you to remove your masks to regain your breath. PLEASE PUT YOUR MASK BACK ON BEFORE ANOTHER TEAM COMES AND BEFORE LEAVING THIS AREA

**Food** – The club **will not be** offering any food or beverages. Please bring your own. There will be no evening pot-lucks and unfortunately, no MACH/PACH cakes. Please plan accordingly.

**Crating** – There will be no crating in the building. We are required to minimize the number of people in the building and ensure those that are in the building are distanced. Crating out of your vehicle will be encouraged. You are also welcome to bring shade tents and there will be a designated location (to be determined). Parking spots close to the entrance and exit doors will be reserved for those crating from vehicles. The “in” doors and “out” doors will be identified during the briefing. Please honor any door signs.

**Washing, disinfectants, PPE** – Hand washing is critical. We are working to expand those facilities. Hand sanitizer and other limited PPE will be available from the club, but please plan on bringing your own.

**Bathrooms** – Disinfecting spray will be in the restrooms and porta-potties for seats and door handles. It will be your responsibility to sanitize upon entering and leaving these locations.

### Trial Specific Modifications:

**Gate Check-in/Steward** – One person will be doing check-in. Class run order will be made available [ONLINE](#) for handlers, by class, so people don't have to keep looking at the board. Daily run orders will also be posted in locations outside. This will force us to limit moving of dogs after the running order is printed and posted. This may mean that we'll have to wait for people with multiple dogs. We'll NOT be using an electronic gate checkin/results system. Your running order will have more details.

**Briefings by Judge and Trial Chair** – We will have limited briefings. We must have very few people in the building at any given time. We will do our best to communicate (postings, website, texting, etc) so please bear with us.

**Handlers waiting for their turn** – Six foot markings (yet to be determined) will be created and Handlers/dogs will be expected to play musical markings until their turn in the ring. Then, they will proceed to the entry gate as instructed by the Gate Steward. **Handlers must wear masks whenever in the arena, including while running.**

**Walk-Throughs** – Walk-throughs will be managed by the number of handlers in a height class and announced at the briefings. Open and Novice will each walk their own class. FAST & T2B, and PREMIER **may** be split and Exc/Master will be split. Details will be in your information package after closing. This will enable walk-throughs to be smaller. We must keep each ring to a specific number, so there may be several walk-throughs for Ex/Masters. **NOTE:** In order to minimize changes, We MAY use the same schedule/Walk-throughs for the whole weekend.

**Workers** – Masks and gloves should be worn for all positions while in the ring.

The Chief Ring Steward and/or Trial Chair will have the white boards set up outside near the entrance doors. Write your name on these white boards if you are able to work. Please try and remember to remove your name if you are unable to perform the duties you signed up for.

The scoring table, leash runner, and bar setters should disinfect the chairs upon completion of their class. You are welcome to disinfect before as well. There will be disinfectant at the scribe/timer table. The timer will be located at a distance from the scribe. There will be a grabber for the leash runner to use and gloves for the bar setters.

**Results/Stickers/Ribbons** – Results will be posted on walls by class instead of in the binders. Stickers will be printed and pre-cut so you will only pick up your own. There will be a safe way to receive these. Ribbons will be laid out on the table. There may be a designated person to distribute the stickers and ribbons, please be patient.

### Waivers and COVID check-in:

**Waiver** – The CDTA, Fun Fur Paws and Marian Snapp TS, their owners, operators, members, and volunteers are working hard to make this event the most compliant event possible. However, activities like dog shows are potentially dangerous given the current COVID pandemic. A specific waiver will need to be signed, holding the above entities harmless in the event somebody gets sick at the event. This is in addition to the waiver on the AKC entry form.

**COVID Check-in** – To help meet the WA state guidelines for this event, each participant will need to answer a brief set of questions and may have a non-contact temperature check. Do you have any COVID symptoms? Have you been in contact with a person with COVID? Have you tested positive for COVID in the last 14 days? Have you traveled outside the State of WA in the past 14 days? You will receive a COVID sticker EACH DAY that must be worn at all times and must be visible at all times.

## Class Changes Effective January 1, 2020. Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day.

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1<sup>st</sup> run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

## Class Changes Made Permanent, Effective January 1, 2021

### Entering For Exhibition Only (FEO)

As of January 1, 2021, For Exhibition Only has become a permanent part of the AKC Agility program and may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. **Participation in FEO is non-qualifying.**

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
  - Toys must be non-audible
  - Toys may not leave the handler's hand
  - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

### Fix and Go On (FNG)

Fix and Go On (FNG) allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note.

**Using FNG will result in a non-qualifying score.**

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

## Height Divisions

**As of March 1, 2021, if a VMO or Agility Field Representative is measuring dogs at a trial, all present and entered dogs without a valid measurement must be measured. Measuring will begin ½ hour before the first dog runs on all three days and may occur between classes depending upon judge availability.**

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	11 inches and under at withers
12"	8"	14 inches and under at withers
16"	12"	18 inches and under at withers
20"	16"	22 inches and under at withers
24"	20"	Over 22 inches at withers
24C"	N/A	Dogs who measure into the 8" through 20" regular jump height divisions may opt to enter the 24-choice height division at their owner's discretion. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

## HEIGHT CARD REGULATIONS

When filling out the entry form, there is a section at the top of the form for exhibitors to mark if your dog needs to be measured. This lets the Trial Secretary know whether to include your dog on the "Dogs to Be Measured List".

*It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.*

## PRIZES AND AWARDS

Qualifying score required for all prizes.

- Qualifying score – Dark Green Rosette or flat ribbon available.
- First Prize – Blue Rosette or flat ribbon
- Second Prize – Red Rosette or flat ribbon
- Third Prize – Yellow Rosette or flat ribbon

Please notify the Trial Chair or Trial Secretary if you have the potential of completing a MACH, or PACH title at this trial 😊.

## MOVE-UPS – CHECK-IN

**Deadline for move-ups for these trials is Monday, May 10<sup>th</sup> 2021 at 6 p.m. PDT.** Move-ups must be submitted in writing (e- mail okay).

Move-ups are not official until e-mail confirmation of the move-up has been received by the participant. Friday to Saturday and Saturday to Sunday move-ups will be allowed.

There will be no formal check-in. A run order will be available at the ribbon table and online at [Scores4K9sNW.com](http://Scores4K9sNW.com). PLEASE remember to check in directly on the Gate Sheet or with the Gate Steward before your runs. No ELECTRONIC check in will be used.

## COURSE FAMILIARIZATION AND WARM-UPS

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A walk-through period will be held prior to each class. A warm-up area, consisting of a regulation agility jump, shall be provided for all exhibitors..

## HOSPITALITY INFORMATION

At this point, there will be no food or beverage provisions made for competitors. Please bring your own food and drink.

Sadly, no MACH or PACH cakes are allowed for sharing.

## VOLUNTEERS

We'll be using the **White Board** for all positions. If you want to do something special, please let us know and we'll sign you up ahead of time. Also, if you want to learn a job, just ask the chief ring steward who can put you with someone who will show you the ropes.

Volunteer draws for prizes and future entries will be made in the afternoons on each day of the trial.

Thanks for your help!
