It is the exhibitor's responsibility to enter their dog in the correct class. **The Trial Secretary cannot make any changes (except for move-ups as noted) after the closing date of the trial.** Be sure to check your entry form carefully and make certain you have entered the correct class(s).

JUMP HEIGHT INFORMATION: Please indicate if your dog needs to be measured on the entry form.

Check your entry forms and confirmations:

Please be aware that AKC rules prohibit modification of an entry after the closing date/time. The ONLY allowed changes are for "move-ups" in class and those are required in writing by 6PM of the Monday before the trial. The trial secretary is not allowed to change jump heights, preferred vs. regular, or move down in classes after closing.

A preliminary email confirmation will be sent when the entry is received and processed. Make sure to check those confirmations closely and notify the trial secretary if you have corrections or changes before the closing date.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

IMPORTANT INFORMATION FOR EXHIBITORS

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. Exhibitors are responsible for being at the ring gate when it is their turn to run. We will NOT wait for exhibitors, except for pre-arranged changes due to conflict. **Entry Confirmations and approximate check-in times will be sent to the address or email address on the Official AKC entry form after closing date. If an exhibitor has not received a copy of the Schedule within seven days of the show,** contact the Trial Secretary. Acknowledgment of receipt of entries prior to closing will be provided if the exhibitor provides a stamped, self-addressed postcard with entry.

Conditional, unsigned, incomplete, illegible, telephone or telegraph entries cannot be accepted. Entries not on official AKC form, or photocopies of AKC forms, **without the agreement attached are not acceptable.**

Entry fees will not be refunded in the event of errors or cancellation of entries after the published closing date, or in the event a dog is absent, disqualified, sick, lame, excused by the Veterinarian or Judge, or barred from competition by the Show Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.

Confirmation of entry and schedule of judging time will be sent to the address on the official AKC entry form after the closing date. If an exhibitor has not received a copy of the schedule at least seven days prior to the show, contact the Trial Secretary. Returned checks do not constitute a valid entry.

The **Samoyed Club of Washington State** assume **No** responsibility for any loss, damage or injury sustained by exhibitors, handlers, or spectators, or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and /or children. Any exhibitor whose dogs and /or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee be asked to leave the Trial site. In such case, no refund or any fees paid will be made.

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.

The safety of dogs is of primary concern. By entering the Trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport, and that their dogs are familiar with and able to perform all obstacles safely.

Please clean up after your dogs on the show grounds and at your motel site. We want to retain these facilities for future events.

ONLY DOGS THAT ARE ELIGIBLE to be shown under The AKC rules shall be allowed within the show precincts.

OWNERS ARE RESPONSIBLE for errors in entry forms, regardless of who may make such errors.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners ProgramSM** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
