It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.*

Waitlist: This agility trial is offering a waitlist (100 runs) to fill runs withdrawn after the official closing date listed on the first page of this premium. All entries, including wait list entries, must be received before the official closing date. If sufficient runs are available on the waitlist, an entry may be withdrawn prior to the waitlist date listed on the first page. Those runs will be filled by the first runs on the waitlist. All such withdrawn runs will receive a FULL refund. Any unfilled waitlist runs will also receive a full refund.

PREFERRED CLASS INFORMATION: You may not enter the same dog in preferred and regular classes in the same set of shows (weekend).

JUMP HEIGHT INFORMATION: When filling out the entry form, there is a new section at the top of the form for exhibitors to designate if your dog needs to be measured. Please check the box so that the Trial Secretary knows whether to include your dog on the "Dogs To Be Measured List". It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in."

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend –Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO)

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

- Toys are allowed in the ring
 - Toys must be non-audible
 - Toys may not leave the handler's hand
 - Toys that roll freely cannot be used

- Food/treats are not allowed in the ring

- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.

- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

DOGS ELIGIBLE TO ENTER

This trial is open to all dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number, or approved Foundation Stock Service (FSS) breeds, except bitches in season, aggressive dogs, blind or deaf dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance.

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, act of God, public emergency, act of public enemy, or any other cause beyond the control of the organizing committee.

Confirmation of entry and schedule of judging time will be sent to the address on the official AKC entry form after the closing date. If an exhibitor has not received a copy of the schedule at least seven days prior to the show, contact the Trial Secretary. Returned checks do not constitute a valid entry.

In such case, no refund of any fees paid will be made.

All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area.

The safety of dogs is of primary concern. By entering the Trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport, and that their dogs are familiar with and able to perform all obstacles safely.

Please clean up after your dogs on the show grounds and at your motel site. We want to retain these facilities for future events. ONLY DOGS THAT ARE ELIGIBLE to be shown under The AKC rules shall be allowed within the show precincts. **OWNERS ARE RESPONSIBLE** for errors in entry forms, regardless of who may make such errors.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
