HOTEL POLICIES**

We do not have a large quantity of hotel rooms in this area. Therefore, maintaining a good relationship with those that will accept dogs is CRITICAL to YOU, our exhibitors. To help ensure that we have hotels that will accept dogs in the future, the following policies are now in effect and will be strictly enforced. Violation of these policies may result in a HRKC/AKC Bench Hearing.

IF YOU PLAN TO STAY IN A HOTEL AND TAKE YOUR DOG INTO THE ROOM:

- **Contact the Hotel DIRECTLY to make your reservation. Indicate you require a “dog room” – DO NOT use a third party reservation service.**
- **ABSOLUTELY NO BATHING OF DOGS is allowed in ANY of the guest rooms, guest room bathrooms or bathtubs**
- **Dogs MUST be on a leash in public areas of the hotel at all times.**
- **Dogs MUST be exercised in the designated dog area.**
- **You MUST pick up after your dog! DO NOT allow your dog to urinate on buildings, garbage cans, etc.**
- **NO DOGS are to be left UNATTENDED in guest rooms at ANY TIME!**
- **No dogs are allowed IN or ON beds.**
- **Dogs that are excessively barking must be removed from the premises in respect for the other guests in the hotel.**
- **Do NOT take dogs into non-dog- allotted rooms. This creates problems for persons with allergies and requires special post-dog cleaning.**

THANK YOU FOR YOUR HELP IN KEEPING DOG FRIENDLY HOTEL/MOTELS

Class Change Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend –Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

FOR EXHIBITION ONLY (FEO) AND FIX AND GO ON:

As of January 1, 2021, For Exhibition only (FEO) and Fix and Go On are permanent parts of the AKC Agility program.

Entering for Exhibition Only (FEO)

FEO allows exhibitors to work with their dogs in a trial environment. FEO is only offered in the Time 2 Beat and FAST classes. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring. Toys must be non-audible and may not leave the handler's hand. Toys that roll freely may not be used.
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.

Fix and Go On

Fix and Go On allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. ENTRY OF INELIGIBLE "A" DOG

A dog which has been entered in an "A" class for which it is not eligible to be entered in due to class restrictions of the dog or handler, may be moved to the "B" class at the same level under the following conditions: 1) The request must state the reason and justification for the move from an "A" class to the "B" class within the level. 2) The request must be in writing and presented to the superintendent or trial secretary at least thirty minutes prior to the start of each trial.

Fix N Go for Obedience: is permanently approved starting April 1, 2022

Section 27. Training and Handling in the Ring. When a handler is using excessive verbal commands, this could indicate the dog is not under control and is not working with the handler willingly. The judge must determine if this dog should be released for a lack of control. The handler is not allowed to correct or discipline a dog and will be released from the ring.

When the dog's performance does not meet the handler's expectation, the handler may choose to use a "Fix n' Go" option once, which allows the exhibitor to immediately reattempt a single individual exercise. This allows the team to reattempt that one exercise, and then leave the ring. In a two-part exercise, the handler may choose only one part to reattempt. It is the handler's responsibility to tell the judge they are choosing to "Fix n' Go." Using the Fix n' Go option will result in a non-qualifying score (NQ). The handler may begin the reattempt from the start or at any point during the exercise. The judge will call the orders for the reattempted exercise as normal. If a jump needs to be reset, it will be set to the original height.

The handler may choose to help the dog through the Fix n' Go exercise. Helping the dog may be accomplished using verbal encouragement, including additional commands and praise, and/or approaching the dog in a friendly/positive manner without touching the dog.

Harsh verbal and /or physical corrections will not be tolerated. If there is any determination of harshness by the judge, the handler will be immediately released from the ring.

Spectators form their opinion of the sport through seeing the action of the handler and the dog. Care must be taken to avoid any action that might reflect poorly on the sport
